Any such written consent shall be effective as specified therein, provided that such effective date is not more than sixty (60) days prior to the date such written consent is filed with the Secretary, or if no such date is so specified, on the date such written consent is filed with the Secretary. Members of the Board of Governors may not serve more than two consecutive terms.

(c) The number of Governors may be changed at any time by a majority vote at an Annual or Special Meeting of the Fellows. Signed absentee ballots and/or an email absentee ballot from the email address on record for a Fellow shall be valid for voting on a change in the number of Governors, the only circumstance under which same is allowed. A Ballot shall be issued to each Fellow entitled to vote along with the Notice of the Meeting at which the issue is to be decided. Each Governor shall hold office from the time of his election and qualification until his successor is elected and qualified, or until his earlier resignation, or removal. No decrease in the number of Governors shall shorten the term of any incumbent Governor.

(d) In addition, the most recent Past-President of the College shall be a voting member of the Board of Governors. If, however, any such Past President is duly elected as a member of the Board of Governors at any time during which he is also the most recent Past-President, he/she shall have only one vote in the decisions of the Board and he shall fill his elected term as a Governor without regard to the fact that he may have already served one or more years on the Board by virtue of his being the most recent Past-President.

Vacancies arising out of death, resignation or removal from office shall be filled by a vote of the majority of the Governors then in office, even if less than a quorum exists.

Section 3.3. - Resignation.

Any Governor may resign at any time either by oral tender of resignation at any meeting of the Board of Governors, or by oral tender to the President, or by giving written Notice to the College. All members of the Board of Governors have a duty of regular attendance at Board Meetings. Three absences from such meetings, except under extraordinary circumstances of such a nature as to satisfy a majority of other members of the Board of Governors, shall operate as an automatic resignation from the Board for the remainder of that Governor’s term of office. Such a removal for lack of attendance shall be without prejudice to that Member’s being re-elected to the Board of Governors at a later time.

Section 3.5. - Meetings.

Meetings of the Board of Governors, Regular or Special, may be held at any place within or without the State of Delaware. Any meeting of the Board of Governors, or of any Committee designated by the Board, may be conducted by means of conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other, and participation in a meeting by such means shall constitute presence in person at such meeting.
The Annual Meeting of the Board of Governors shall be held at the time of the ACLM Annual Meeting, the date and time being decided by the President, and no Notice thereof need be given other than by announcement on the College’s website. If an annual election of Governors occurs by written consent in lieu of the annual meeting of Fellows, the Annual Meeting of the Board of Governors shall take place as soon after such written consent is duly filed with the Secretary of the College as is practicable, either at the next regular meeting of the Board of Governors, or at a Special Meeting. The Board of Governors may fix times and places for regular meetings of the Board and no notice of such meetings need be given. A Special Meeting of the Board of Governors shall be held whenever called by the President or by at least one-third of the Governors for the time being in office, at such time and place as shall be specified in the notice or waiver thereof. Notice of each Special Meeting shall be served in writing by the Secretary, or by a person calling the meeting upon each Governor by mailing the same, first-class postage prepaid, postmarked no later than the seventh day before the meeting; or personally or by emailing, telegraphing, telephoning, or electronically communicating the same not later than the second day before the meeting.

Except as otherwise provided by Law or by these Bylaws, the vote of the majority of the Governors present at a meeting at which a quorum is present shall be the act of the Board of Governors.

Written Consent of Governors in Lieu of a Meeting. Any action required or permitted to be taken at any meeting of the Board of Governors or of any committee thereof may be taken without a meeting with 48-hour notice by a mail, email, other electronic means, or facsimile poll of all Governors. In order for the issue in question to be approved, three-quarters of the Governors must vote affirmatively. Alternatively, a telephone, email, or other electronic poll may be conducted of all available Board members assuming a quorum is available. Two-thirds of those available must vote affirmatively for the issue in question to be approved.

Section 3.8. - Contracts and Transactions Involving Governors, Officers, or Agents of the College.

No contract, or transaction, between the College and one, or more, of its Governors, or Officers, or Agents, or between the College and any other corporation, partnership, association, or other organization in which one or more of its Governors, or Officers, or Agents, or Directors have a financial interest, shall be void or voidable solely for this reason, or solely because the Governor, or Officer, or Agent, is present at or participates in the meeting of the Board of Governors which authorizes the contract or transaction, or solely because his, or their, votes are counted for such purpose, if: (1) the material facts as to his relationship or interest are made known to the Board of Governors, and the Board in good faith authorizes the contract or transaction by the affirmative votes of a majority of the disinterested Governors, even though the disinterested
Governors be less than a quorum; or (2) the material facts as to his relationship or interest and as to the contract or transaction are disclosed or are known to the Fellows-of-the-College entitled to vote thereon at a duly held meeting of the fellows, and the contract or transaction is specifically approved in good faith by vote of the Fellows; or (3) the contract or transaction is fair as to the College as of the time it is authorized, approved or ratified, by the Board of Governors or the Fellows.
